

**ST. PETERSBURG
INTERNATIONAL
GAS FORUM**
YOUTH DAY

Dear Friend,

Are you Master / PhD / Post-graduate student up to 35 YO focused on energy business and speaking English fluently? So, don't miss this chance to take part in one of the most remarkable events in energy sphere organized for young people from over the world.

YOUTH DAY: ENERGY CHALLENGE gives you an opportunity to:

- ✓ Enhance your knowledge of the energy business
- ✓ Demonstrate your best personal and professional skills and competences to the leading energy companies
- ✓ Communicate with peers and top-level experts at the international level
- ✓ Create professional network
- ✓ Discover career opportunities in energy sector

We bring together leading industry experts and talented young people for knowledge transfer and new ideas and solutions search. After registration and qualification-motivation test you are welcome to our platform:

- The *1st stage* is a 3-month on-line training program in **Virtual Academy**. Participants will get an access to analytical material, webinars, discussion platform and expert assessment. 30 best participants will be selected for the 2nd stage.
- The *2nd stage* is a 3-day off-line meeting on the **Youth Day** within **St. Petersburg International Gas Forum**. It's eventful program with trainings, workshops, high level meetings and Energy Challenge.

Get more information and APPLY on www.energyyouthday.com till April the 1st, 2019.
