

**ST. PETERSBURG
INTERNATIONAL
GAS FORUM**
YOUTH DAY

Prof. Dr. Ulrich Radtke
The Rector
University Duisburg-Essen

Invitation letter

Dear Sir,

On October 01-03, 2019 “Youth Day: Energy Challenge” within the framework of IXth St. Petersburg International Gas Forum (<http://gas-forum.ru/en/>) will be held for the 5th time. It is a great pleasure to invite the master or PhD students of your university to join this remarkable international event.

The official partners of the Youth Day are International Business Congress and leading energy companies as Gazprom, Uniper, Wintershall, Gasunie, Schneider Electric and academic partners as UNECON and Energy Delta Institute.

The event brings together leading industry experts and talented young people for knowledge transfer and new ideas and solutions search. After 4 successful years we have prepared the new format with additional educational, professional, networking and challenge opportunities for participants.

We hereby invite post-graduate students of your university to apply for the Youth Day 2019 by filling the registration form on www.energyyouthday.com. They should meet the formal criteria and pass a qualification test. Selection of participants will be made by the results of this test.

Additional information about the event: www.energyyouthday.com

Yours sincerely,

Iana Klementovichus

Program Director of
Youth Day: Dialogue of Generations,
Director of Higher Economic School of UNECON
